Alphabetical Listing of Providers

This provider directory lists participating physicians and providers in the Universal Health Care, Inc. network, providing service to individuals with Universal Health Care, Inc. coverage. All medical professionals in this directory were participating in the network at the time it was printed. Since the listing may have additions or deletions after printing, please check when making an appointment to ensure your physician still participates. It is your responsibility to determine if physicians and providers are still active in the Universal Health Care, Inc. network at the time you receive service. By selecting a participating provider, you are eligible for your full benefits under your coverage. Depending on the benefits plan you have purchased, you will have no coverage, or limited coverage, if you received medical treatment from non-participating providers.

Directory of Physicians and Providers

Welcome to Universal U-First!

How to Use the Directory

This directory lists doctors in the U-First network. Changes are made to the directory regularly. Call the doctor with any questions you have. Ask if they are still part of the U-First network. Call our Member Services Department at 1-866-690-4842 if you need help using this directory.

You can also go to our website, www.univhc.com to find the most current directory of doctors.

Primary Care Physician (PCP)

Each member may choose a primary care physician (PCP) from this list of doctors. You must choose a doctor in the U-First network to use your benefits. Your PCP is your family doctor. Each family member may see the same PCP. You may choose a different PCP if that doctor cannot provide care that meets the needs of all members of your family.

Types of PCP's to choose from include:

- *Family Practitioners/General Practitioners: doctors who take care of medical needs for all family members and all ages*
- *Internal Medicine or Internists: doctors who care for adults*
- *Pediatricians: doctors who care for children from birth to age 18 years*
- *Obstetricians/Gynecologist (OB/GYN): doctors specializing in health care for women*

Your ID card will be sent to your home address. Your PCP name and number will be shown on your card. You must show your card at the time of your visit. Call U-First if you lose your card. A representative will send you a new card.

You may change your PCP at any time. Please call Member Services at 1-866-690-4842 to change your PCP. You will be sent a new ID card. Your new card will show your new PCP.

Behavioral Health

CompCare is our behavioral health network of providers. Members may contact behavioral health providers 24 hours a day by calling CompCare at 1-877-261-2154.

Hospital Affiliation

Your doctor will help you choose a hospital. Each doctor has privileges at a hospital. They are listed under the provider's name in the directory.

Emergency Services

Go to the nearest hospital if you have a medical emergency. Call 911 if you need an ambulance. Always follow up with your PCP after an ER visit. Your doctor should know about your health at all times.

Urgent Care Services

Visit an Urgent Care Center (UCC) if you need help with minor cases. Some cases may not require emergent care.

Urgent Care Centers treat medical problems such as:

- Minor injuries and injuries
- Cuts and bruises
- Upper respiratory infections
- Ear infections
- Sprains
- Sore throats
- Urinary tract infections

The UCC doctor will tell you if you need to contact your PCP after your visit. Your doctor should know about your health.

Second Opinions

You may get a second medical opinion if you don't agree with your PCP. Get a referral from your PCP to a different net work provider of your choice. You may pay 40% of the doctor visit for a second opinion.

Religious or Moral Objections

In accordance with section 1932(b) (3) of the Social Security Act, some providers may not perform certain services based on religious or moral beliefs.

If Universal chooses not to provide or reimburse for coverage of a counseling or referral service because of an objection on moral or religious grounds, you will be notified of any changes to service within 90 days.

Member Services Department

The Member Services Department can answer questions you may have. Update your address and phone number when you call. Call Monday-Friday between the hours of 8 AM and 5 PM. They can be reached at:
