Introduction

This booklet provides a list of Universal Health Care Insurance Company's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Universal Health Care Insurance Company's formulary. If you have additional questions, please call our Member Services Department at 1-877-204-8149, 24 hours a day, 7 days a week (except Thanksgiving and Christmas). TTY/TDD Users should call 1-800-716-3231. Or, visit www.univhc.com.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to plan members. A network pharmacy is a pharmacy where beneficiaries obtain prescription drug benefits provided by Universal Health Care Insurance Company. In most cases, your prescriptions are covered under Universal Health Care Insurance Company only if they are filled at a network pharmacy or through our mail-order pharmacy service. Once you go to one, you are not required to continue going to the same pharmacy to fill your prescription. You can go to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances, as described in your Evidence of Coverage.

How do I find a network pharmacy in my area?

To find a network pharmacy in this directory, follow this step:

1. Locate the section for the type of pharmacy you are seeking (for example, "Retail Pharmacies"). You can find this information on the left or right edge of the page.

Or you can visit our website or call our Member Services Department using the information provided on the front cover of this directory.
