Section 1 – Introduction

This directory provides a list of Medicare Masterpiece PPO Plan Providers. To get detailed information about your health care coverage, please see your Evidence of Coverage.

There are special rules for out-of-network services. You do not need to get a referral or prior authorization when you get out-of-network care from non-plan providers. However, before getting an out-of-network service, you may want to check with your plan to see if the services you are getting are covered by your plan and are medically necessary. Although you do not need to get prior authorization for out of network services, you may have lower costs if you choose an in-network provider. For more information, see your Evidence of Coverage.

The Plan Providers listed in this directory have agreed to provide you with your health care coverage. You may go to any of our plan providers listed in this directory. If you have been going to one plan provider, you are not required to continue going to that same provider. In some cases, you may get covered services from non-plan providers.

What is the Service Area for the Medicare Masterpiece PPO Plan?

The counties in our service area are listed below:
PASCO.

How Do You Find Medicare Masterpiece PPO Plan Providers in Your Area?

The Medicare Masterpiece PPO Plan has formed a network of doctors, specialists, and hospitals. You can only use doctors who are part of our network.

The Providers in this directory are organized by provider type, county, city, zip code and provider name. You may use the county, city and/or zip code to locate a provider nearest to your home.

The health providers in our network can change at any time. You can ask for a current Provider Directory by calling our Customer Service Department at 1-866-690-4842 , Monday – Sunday, from 8:00 am to 8 pm. TTY users should call 1-800-617-0177. Or you may visit our website at www.univhc.com.
